I believe yet another increase for our sewer is absurd. I moved into this house in September of 2003. The sewer bill from this same company was \$35/month. It has continuously gone up every year or other year and now the bill is over \$65/mo. It has almost doubled in 15 years. Our income has certainly not doubled in this time. They increased a year and a half ago from \$57.58/month to \$65.08/month. And now they want to increase it AGAIN (55.65% which is an increase of \$36.22/month expecting us to now pay \$101.30/month. It is completely unacceptable and unfair to the homeowners. Hard working people having these kind of increases could eventually render people homeless. We have to take a stand NOW against companies like Blue Granite trying to rob the good people of SC! By the way, take a look at their ridiculously high salaries for those running this Company and asking for these increases. That is what this is all about, them getting more of the almighty dollar!

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***

I am not able to attend the meeting which is why I am sending my letter of protest.
